

Genitti's Hole-In-The Wall

ACTIVITIES

BACKGROUND

A landmark since 1971, Genitti's originally started out as a meat and grocery store. In November 1979, owners John and Toni opened their restaurant when a hole was knocked out of the market's side, giving birth to Genitti's-Hole-In-The-Wall. In 1981, the restaurant was expanded to the building next door. Fall of 1985 brought yet another expansion with the downstairs dining room, bar and gift shop which were later converted to provide additional dining space. Genitti's Little Theater which is just next to the restaurant is accessible through yet another hole-in-the-wall was acquired in 1992.

What's for dinner!

With each of its expansions, Genitti's has maintained their original, highly successful formula of providing excellent food and a comfortable, relaxed way of dining and entertainment. The seven-course family-style Italian dinner is a guaranteed delight. Like an old Italian wedding, it features lots of food, served hot. The dinner starts off with homemade soup followed by pasta, antipasto salad, then Italian sausage with green peppers and onions, Italian steak with potatoes, baked chicken with zucchini and cannoli for dessert! After dinner everyone heads into the theater to see our inter-active comedy show. The show changes every four months but is always a fun inter-active comedy!

Genitti's is a one stop source for all your entertainment needs. From lunch to dinner theater featuring the interactive comedy shows that Genitti's has become known for, there is certainly something for everyone. Genitti's also does children's lunch theater with a family style lunch and interactive show, perfect for families, birthday parties and scouting events. Genitti's is also GREAT for sports banquets, rehearsal dinners, Bar/Bat mitzvahs, graduation parties, retirement parties, funeral luncheons, baby showers, bridal showers and many more!
